► Work Experience

Independent Contractor • Designer

Mar 2013 – Present

My work involves creating wireframes, low & high fidelity mockups, limited prototypes, design consulting and more, with a focus on native apps. Recently I have worked on:

- Exploration prototypes for a B2B environmental control service
- Mobile project management app for events industry

USC • Product Designer

Jul 2021 – Aug 2025

I was in charge of designing a suite of mobile and desktop applications for a B2B2C startup in the logistics industry.

AppSuite @ Yael Acceptic • UX/UI Designer

Aug 2020 – Oct 2022

I worked as a UX/UI designer on a SaaS product aimed at the Food & Beverage industry, designed new features for existing company's products.

Consultica • UX/UI Designer

Dec 2015 – Apr 2018

Designed multiple mobile applications. Supported designs of existing company's projects.
